AMANTE®
AMANTE® LINE

Thanks to traditions handed down from generation to generation combined with the research of innovative production techniques, in 2012 we created the Amante® line. This line is born from the LOVE we nourish for our territory, our work and the continuous research.

Verona, the production area of this wine, is known worldwide as “the city of LOVE” thanks to the great story of Romeo and Juliet.

This name explains very well and in a nutshell these wines... It represents the bond with the history of our territory, a nectar harvested in the beautiful and evocative vineyards of the province of Verona, which we want to share with our customers to make them live these emotions...

AMANTE® is the result of a process of research that has brought to the creation of this unique product which combines two techniques typical of the great red wines of Verona: the “Appassimento” and the “Ripasso”, revisited and improved only thanks to the experience gained over all these years that makes this process exclusive Ca' del Sette.

TYPE: Red wine Verona I.G.T., obtained from Ca' Del Sette's exclusive expertise in harvesting the latest grapes, which are left to wither slightly on the vine.

GRAPE VARIETY: Merlot, Cabernet Sauvignon, Corvina.

AREA OF PRODUCTION: Province of Verona.

SOIL TYPE: Rich in texture, mainly calcareous and sandy.

CHARACTERISTICS: Intense ruby red colour with purplish highlights.

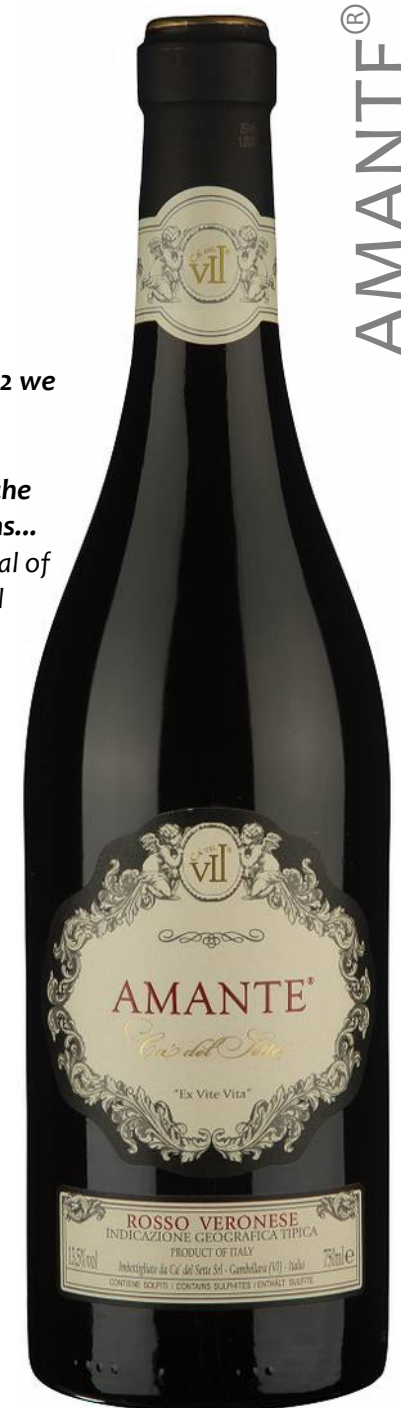

The nose is intense, complex and fine. Characterized by notes of red fruits and vanilla with a delicate aftertaste of cherry and chocolate. Full-bodied wine with a balanced, intense and persistent taste.

FOOD PAIRINGS: It goes perfectly with cold cuts, mature cheeses, structured first courses based on meat and truffle.

Also excellent with grilled red meat, stewed meat and game.

SERVING TEMPERATURE: 18°C

ALCOHOL CONTENT: 13,5%vol
