AMARONE

1944 Monte Comun - APPASSIONANTE® LINE

Thanks to traditions handed down from generation to generation combined with the research of innovative production techniques, in 2015 we created the Appassionante® line in order to celebrate the Anniversary of 150 years of our family in the vine-growing.

The wines of the line Appassionante® found inspiration from the battles fought in our territory.

The goal is to celebrate the bond with the territory, so how the heroes have fought for their homeland, we fight every day to keep alive the traditions handed down from generation to generation.

One of these wines is "1944 MONTE COMUN", Amarone della Valpolicella DOCG 15,5%vol, created in memory of the Battle of Monte Comun that took place on 17 September 1944 (in the municipality of Grezzana, the area where Amarone wine is produced). This battle is one of the most important battles of the Veronese Resistance. Amarone is a wine rich in history. It is produced in limited quantities with grapes from the Valpolicella area, carefully selected, dried and vinified according to ancient Tradition. The flavour is very strong; intense and elegant on the nose, with aromas of blackberries and a slight spiciness from the oak barrels.
