1848 Sorio - APPASSIONANTE® LINE

Thanks to traditions handed down from generation to generation combined with the research of innovative production techniques, in 2015 we created the Appassionante® line in order to celebrate the Anniversary of 150 years of our family in the vine-growing.

The wines of the line Appassionante® found inspiration from the battles fought in our territory.

The goal is to celebrate the bond with the territory, so how the heroes have fought for their homeland, we fight every day to keep alive the traditions handed down from generation to generation.

One of these wines is "SORIO 1848", a red wine Veneto I.G.T. 13%vol.

This wine is the result of a process of research that has brought to the creation of this unique product which combines two techniques typical of the great red wines of Verona: the "Appassimento" and the "Ripasso", revisited and improved only thanks to the experience gained over all these years that makes this process exclusive Ca' del Sette.
