STRANERO® DOLCE

CA' DEL SETTE® LINE

*This wine called **Stranero**®, has a name composed of the word "**STRA**" which indicates the superlative and the word "**NERO**" which means black and indicates the intense colour. We chose this name because the wine comes from the careful selection of the darkest Merlot and Cabernet Sauvignon grapes. This selection is carried out in the vineyard through a careful working method that allows the greatest number of bunches to be exposed to the sun and to remove those that are not correctly exposed.*
